

Dear Director – UNITE 2030

Sub : Partner Invitation to Organize IGEN SDG.RESEARCH CONCLAVE G01

IGEN SDG.RESEARCH CONCLAVE - The global experts will brainstorm the research challenges in United Nation GREEN Sustainable Development Goals and outcome the solution for implementation through IGEN SDG Projects. It also provides a platform for young researchers to participate and provide alternative solutions for research issues towards SDG goals.

Two Year Plan – To organize research challenges towards UN Sustainable Development Goals 3,4,6,7,9,11,12,13 & 17 and submit the fruitful outcome for implementation in period of two years .

Program Schedule : 4 speakers debate on selected research topic , two short presentation , two innovators interview etc total of 3 hour program.

We cordially invite your organization to be partner for our first IGEN **SDG.RESEARCH CONCLAVE G01** in theme “Clean Air and Water” tentatively scheduled May 2021.

What we expect from the partners: Support to get two speakers on theme and promote to get good number of participants.

What We do through IGEN : The Institution of Green Engineers (IGEN), (Registered under Societies Registration Act 27 of 1975, wide Registration No: CN/SR/3032019) connecting green professionals, work towards to achieve UN Sustainable Development Goals (3, 4,6,7,9,11,12,13 & 17).,to develop Innovative products, this leads to provide solution to sustainable greener world and to organize activities through 9 Color Nonagon, VIBGGYOR. (www.theigen.org)

We had organized 46 events , implemented 10 SDG projects and 10 innovation challenges in year 2021. The achieved outcomes are 117 volunteers as organizers, 190 hours event , 168380 participants, 2 world record, reduced 1M Co2 , created save energy awareness for 5M public and many more.
