

UN
2023 WATER
CONFERENCE

NEW YORK
22-24
MARCH
2023

Side Events Programme

Programme for side events taking place outside the UN Headquarters,
New York during the UN 2023 Water Conference – updated 15 March 2023

This programme is being updated on a rolling basis. Access it online for the most up-to-date version.

Sunday 19 March

18.00	Location
<p><i>Dholakia Foundation, Hari Krishna Exports Pvt. Ltd., UN1FY</i></p> <p>Gala Dinner: Water Conservation to Nurture Life and Generations</p> <p>Hosted by Dholakia Foundation, the gala dinner will honor water conservation efforts, highlight the role of youth in water and climate, and inaugurate a lake on behalf of its esteemed Stakeholders.</p> <p>info@dholakia.foundation</p>	TBD

Monday 20 March

9.00 - 17.00	Location
<p><i>Delft University of Technology, ICOMOS (ISC Water and Heritage, NL and US), UNESCO Chair on Water, Ports and Historic Cities, Witteveen+Bos; Water Authority Amstel, Gooi en Vecht (AGV) supported by the Union of Water Boards, The Netherlands, ICOMOS ICUCH, ICOMOS SDGWG</i></p> <p>Water and Heritage: Connecting Past, Present and Future - A Dialogue among water professionals and culture, heritage professionals towards bridging mandatory, disciplinary and institutional divides</p> <p>The side event aims to foster alliances between water, culture and heritage sectors, offering synergies and new opportunities to facilitate sustainable development on past and present water management.</p> <p>https://www.portcityfutures.nl/unesco-chair/un-side-event-march-2023-water-and-heritage c.m.hein@tudelft.nl</p>	Harlem Stage (20 March 2023), Columbia University, Bronx Children's Museum, Central Park (21 March 2023)

Tuesday 21 March

8.00 - 12.00	Location
<p><i>Entreprise Forward and Fellow alumni of Women Deliver, Entreprise Forward and Women Deliver</i></p> <p>Understanding Energy use and promoting health practices in rural/peri-urban communities in Africa. Why? Biomass in high use in rural communities Biomass in high use in rural communities - Alternative energy for fuel not often feasible or sustainable - Evidence about negative health effects of biomass use exists.</p> <p>https://www.morressier.com/article/mali-made-progress-tobacco-control-recent-years-however-people-continue-die-become-sick-needlessly-costs-society-tobacco-use-continuemount/5c7f9e3eb3003b000f4cf99f m.sylla56@yahoo.fr</p>	TBD
9.00 - 13.00	Location
<p><i>Delft University of Technology, TU Delft Water for Impact, Barnard College, Columbia University, Kenya Meteorological Department, TAHMO, UNICAMP, UDS Tamale, Alabama University (GWSC), EAWAG and ETH Zürich</i></p> <p>Water we waiting for? A trans-continental forum on setting the Water Action Agenda for sustainable development</p> <p>Join us in connecting the UN Water Conference to the world via hubs in South America, Africa and Europe to define actionable targets on cross-sectoral international collaboration.</p> <p>www.tudelft.nl/waterforimpact WaterForImpact@tudelft.nl</p>	Barnard College, Sulzberger Hall Room, North Tower, 3009 Broadway, NY 10027, New York.
10.00	Location
<p><i>Centre d'accompagnement des alternatives locales de developpement (Caald), Stakeholder Forum, UNDP, UNICEF, UNHCR, UNPFII, UNEP regarding their regional offices in Africa</i></p> <p>Enjeux et défis d'un plan de travail pour implementer le SDG 6 : Experiences et lecons apprises les Etats membres, les UN agencies, NGO, Civil society aux niveaux local, regional et international</p> <p>To be practical for the implementation of the SDG 6, formulate a working's plan with the different stakeholders at local, regional and international levels with tools of the matrice.</p> <p>gervaiszoo@gmail.com</p>	TBD
12.00	Location

<p><i>African Global Networks, KwaZulu Natal Government, EThekweni Municipality, RSA Department of Water and sanitation, South African UN Mission, South</i></p> <p>Importance of clean water and sanitation to rural communities in the developing nations</p> <p>Role of governments in provision of clean water and sanitation in developing nations and challenges of infrastructure.</p> <p>www.aglon.co.za wiseman@aglon.co.za</p>	<p>Permanent Mission of South Africa in New York</p>
<p>10.00 - 12.30</p>	<p>Location</p>
<p><i>Water Environment Federation, Water Environment Federation (WEF), Xylem, New York University (NYU), US Water Partnership, Columbia University, Manhattan College, Blue Tech Research</i></p> <p>Life Free of Water Challenges – Circular Water Economy Solutions - A Global Journey</p> <p>A collaborative conversation on Circular Water Economy, highlighting resource recovery, sustainable businesses, and the role of technology, innovation and cooperation amongst organizations.</p> <p>https://www.wef.org/topics/practice-areas/government-and-regulatory-affairs/wef-the-united-nations-and-sdgs/ lsukkariyyah@wef.org</p>	<p>666 3rd Avenue, 21st Floor, New York, NY 10017</p>
<p>14.00 - 15.30</p>	<p>Location</p>
<p><i>Programme Solidarité Eau (pS-Eau), Les Agences de l'Eau françaises (French Water basin Agencies), United Cities and Local Government - Africa (UCLG Africa), Global Water Operator Partnership Alliance (GWOPA)</i></p> <p>Citizens and Local elected representatives involved in North-South Solidarity based on resources from water bill</p> <p>In order to implement the objectives of SDG 6, partnerships between local authorities in the North and South have a key role to play at the local level. These already exist but need to be strengthened</p> <p>https://www.pseau.org/en/water-conference-2023 le-jalle@pseau.org</p>	<p>Institut Français Alliance Française (FIAF) 22 East 60th Street, New York, NY 10022.</p>
<p>15.00 - 17.00</p>	<p>Location</p>
<p><i>Children and Youth International, United International Federation of Youth for Water and Climate (UN1FY)</i></p> <p>Youth in the Water Action Agenda</p>	<p>Microsoft Building, 11</p>

<p>The event will present to the interested parties the supporting mechanism for submitting youth-related commitments as part of the Water Action Agenda.</p> <p>https://linktr.ee/un1fy m.kuri@un1fy.org</p>	<p>Times Sq, New York, NY 10036</p>
<p>16.00</p>	<p>Location</p>
<p><i>Womenvai, PfE France, African Water Association (AfWA), AgroParisTech Chair SUEZ Water for All, SUEZ Fondation, International Network of Liberal Women/Dutch Water Authority, SABESP, UNESCO Chair Water Ports and Historic Cities, Drinkable Riversty, University of Bari. EPF school of Engineers, Swissengineering Geneva, University of Lisbon ICS, OSIAT/WASAT</i></p> <p>Women & Men with SDG6 –Training and Gender Action Plan in leadership will improve Sustainable Water and Sanitation Management</p> <p>SDG6 – Women & Men Training Program and Gender Action Plan in leadership will improve Sustainable Water and Sanitation Management. 1- Nothing about us , without us !</p> <p>Womenvai.org lyliparis@gmail.com</p>	<p>French Institute Alliance Française _ 22 E 60th St #1077, New York, NY 10022, United States</p>
<p>16.30</p>	<p>Location</p>
<p><i>Swiss Federal Institute for Aquatic Science and Technology (Eawag) & Swiss Agency for Development Cooperation (SDC), Swiss Federal Institute for Aquatic Science and Technology (Eawag) Swiss Agency for Development Cooperation (SDC) Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH Swiss Water Partnership (SWP) Swiss Church Aid (HEKS/EPER) UN Special Rapporteur for the Human Right to Water and Sanitation Blue Communities Global Water Operators Partnership Resilient Cities Network, Swiss Business Hub USA</i></p> <p>We cannot manage what we do not understand</p> <p>Action-oriented partnerships at the interface between science, politics, and practice to empower municipalities to reduce inequity and increase resilience in urban water management. A side event organised by Switzerland in collaboration with GIZ. Followed by a Swiss Apéro. Please register using the link below.</p> <p>Register: https://www.susana.org/en/news-and-events/sanitation-events/upcoming-events/details/575</p> <p>Sign up for recording and updates: http://forms.gle/t4oKAnMZcLdDYgps8</p> <p>dorothee.spuhler@eawag.ch</p>	<p>Columbia University, Schapiro Center for Engineering and Physical Science Research, https://goo.gl/maps/pzEFm6rAnGYvZ3Su9</p>
<p>16.30 - 18.00</p>	<p>Location</p>

<p><i>Water Witness International "End Water Poverty (EWP), WASH-United, SIMAVI, Water Integrity Network (WIN), Partnership for African Social Governance Research (PASGR), World Bank</i></p> <p>Where is the accountability?</p> <p>The accountability structures needed for systemic change including government, civil society, industry and finance.</p> <p>https://www.accountabilityforwater.org/events timbrewer@waterwitness.org</p>	<p>52 E 41st St New York, New York 10017</p>
<p>16.30 - 17.45</p>	<p>Location</p>
<p><i>Ministry of Environment, Science, Technology & Innovation - Ghana, Ministry of Water and Sanitation - South Africa, Ministry for Europe and Foreign Affairs - France, Ministry for the Ecological Transition and the Territorial Cohesion - France, Ministry of Health - Costa Rica, Ministry of the Environment - Uruguay, Ministry of Water and Environment - Uganda, Ministry of Sustainable Development, Climate Change and Disaster Risk Management - Belize, Ministry of Public Works, Transportation and Communications - Haiti, Ministry of Natural Resources and Environment - Thailand, National Water and Sanitation Agency (ANA), UN-Habitat, French Water Partnership, Greater Paris Sanitation Authority (SIAAP), Grid-Arenal, Women for Water Partnership</i></p> <p>Striving for a circular economy in a climate-resilient world: The critical role of wastewater</p> <p>A coalition committed to advancing the management of wastewater as a valuable resource and as a fundamental aspect of the circular economy.</p> <p>www.unhabitat.org graham.alabaster@un.org</p>	<p>Le Skyroom, French Institute Alliance Française (FIAF) Manhattan 22 East 60th Street, New York, NY 10022</p>
<p>17.00</p>	<p>Location</p>
<p><i>African Global Networks, EThekweni Municipality, RSA Water and Sanitation, KwaZulu Natal Government</i></p> <p>Provision of clean water and sanitation by developing nations and challenges of ageing infrastructure</p> <p>Challenges of provision clean water and infrastructure by developing nations.</p> <p>www.aglon.co.za wiseman@aglon.co.za</p>	<p>TBD</p>
<p>18.00 - 20.30</p>	<p>Location</p>
<p><i>Konrad-Adenauer-Stiftung, The Stimson Center</i></p> <p>Water Security and Hydro-diplomacy: Turning the Spotlight on Knowledge-Sharing, Accelerating Cooperative Action, and the Role of Multilateral Forums</p>	<p>KAS Office, #3300, 220 East 42nd Street, NY</p>

<p>The event will explore how we unearth politically charged issues and feed them into broader areas of global water cooperation backed by multi-lateral forums.</p> <p>www.kas.de/newyork faamer@stimson.org</p>	
<p>18:00 - 19:30</p>	<p>Location</p>
<p><i>European Commission (European Union), German Federal Ministry for Economic Cooperation and Development (BMZ); Global Water Operators` Partnerships Alliance (GWOPA/UN-Habitat)</i></p> <p>Young Water and Sanitation Professionals Shaping the Future</p> <p>The event illustrates the crucial work of Young Water and Sanitation Professionals and their role in planning, operating, maintaining, and managing water and sanitation utilities (invitation only).</p> <p>https://environment.ec.europa.eu/topics/water/eu-un-water-conference_en INTPA-F2-WATER-SECTOR@ec.europa.eu</p>	<p>The German House, New York City</p>
<p>18.00 - 21.00</p>	<p>Location</p>
<p><i>The Light Millennium, Charitable Global Human Advancement Organization (LMGlobal.Org), The Light Millennium, Charitable Global Human Advancement Organization (LMGlobal.Org, Leading Org, NY, USA), Stevens Institute of Technology (Stevens.Edu, NJ, USA), Shanti Fund (NY, USA), Anuvrat Global Organization (Anuvibha, India), The Institution of Green Engineers (IGEN, India), Smile4Millions (S4M, India), Assembly of Turkish American Associations (ATAA, USA)</i></p> <p>What is your commitment to the #WaterActionDecade? Seven core #WaterAction ideas toward contributing in #WaterAwareness and #WaterConscience (A Three-folded side event proposal)</p> <p>It will encourage and present ideas and commitments on #WaterActionDecade from a diverse background through seven grouped sub-water-action ideas by presenters and the attendees.</p> <p>www.lmglobal.org CONTACT@LIGHTMILLENNIUM.ORG</p>	<p>Connect 1 & 2 at the Shelburne Hotel, NYC</p>
<p>TBD</p>	<p>Location</p>
<p><i>QinTheory Studio, Swiss Water Partnership, 1MYAC</i> <i>Meet the Rivers</i></p> <p>What if rivers could talk ?</p>	<p>TBD</p>

"Meet the Rivers" is a live performance that provides the platform for the rivers around the world to have a voice at the UN2023 Water Decade Conference in New York City.

Wednesday 22 March

Official Programme

Morning 10AM - 1PM		Afternoon 3PM - 6PM
9AM Opening of Conference <i>General Assembly Hall</i>	Lunch Break 1PM - 3PM	Plenary <i>General Assembly Hall</i>
Interactive Dialogue <i>Conference Room 4</i>		Special Event <i>Conference Room 2</i>
		Interactive Dialogue <i>Conference Room 4</i>

8.00 - 10.00	Location
<p><i>UNICEF, Sanitation and Water For All</i> <i>Joined-up</i></p> <p>Action for Humanitarian and Development Collective Outcomes to Accelerate SDG 6</p> <p>The event will host a high level panel on collective outcomes for WASH. This is being conveyed by the largest humanitarian and development WASH multi-stakeholder platforms (GWC and SWA)</p> <p>https://www.washcluster.net/node/31091 globalwashcluster@unicef.org</p>	<p>UNICEF New York - 3 U.N. Plaza, 44th St. btw. First & Second Aves. Manhattan, NY 10016</p>
9.00 - 10.00	Location

<p><i>Ding Tai Co., Ltd</i></p> <p>Association of Sustainable Ecological Engineering Development; Other Organizations: under planning</p> <p>JW Eco-Technology- revolutionary holistic solution for global water & environmental problems a nature-based solution achieving sustainable on-site water circulation with rainwater harvesting/stormwater management/greywater treatment, solving too little, too much and too dirty water problems</p> <p>https://pingtai.com.tw/en/forum-2003water-en/ jerome@jwprocess.com.tw</p>	<p>TBD</p>
<p>9.00 - 18.00</p>	<p>Location</p>
<p><i>UCLG, Global Task Force and World Water Council</i></p> <p>Local and Regional Government day</p> <p>Sharing innovative experiences regarding the intrinsic link between local public services, water and sanitation, and the achievement of the Sustainable Development Goals (SDGs)</p> <p>www.uclg.org k.makhlouf@uclg.org</p>	<p>Millenium Hilton One UNPlaza Hotel</p>
<p>9.30 - 10.30</p>	<p>Location</p>
<p><i>FAO, IUCN, SIWI</i></p> <p>Source to Sea (S2S) approach: from methodology to practice</p> <p>S2S is a dynamic approach pursuing to link freshwater and marine by implementing best practices while preserving natural resources & generating environmental socioeconomic benefits for all generations.</p> <p>www.fao.org Amani.Alfarra@fao.org</p>	<p>The Nature Hub; Apella - 450 E 29th Street, New York, NY 10016</p>
<p>9:30 - 10:45</p>	<p>Location</p>
<p><i>Foro de la Economía del Agua The Nature Conservancy, Fundación FEMSA y Banco Interamericano de Desarrollo.</i></p> <p>Financial solutions to achieve the challenges of SDG 6</p> <p>Economic rationality of investments to improve water security, the circular economy in the water sector and innovative financing mechanisms to advance SDG6 and SDG17 Partnerships.</p>	<p>Apella, 450 E 29th St, New York</p>

https://forodelaeconomiadelagua.org/conferencia-del-agua/	comunicacion@forodelaeconomiadelagua.org
10.00 - 12.00	Location
<p><i>C40 Cities Climate Leadership Group Inc, C40, Grundfos and GWOPA</i></p> <p>Water Safe Cities - A blueprint for climate actions</p> <p>Citizens in cities worldwide are feeling the impacts of climate change. This event will demonstrate how through dedicated actions, mayors are committing to set targets for a water safe future.</p> <p>https://www.eventbrite.com/e/water-safe-cities-a-blueprint-for-climate-action-tickets-566674969087 water@c40.org</p>	
10.00 - 13.00	Location
<p><i>EarthEcho International, Xylem Inc. and New York City Football Club</i></p> <p>Mobilizing Students in the Water Action Decade through the EarthEcho Water Challenge</p> <p>EarthEcho International, Xylem Inc., and NYC Football Club will host NYC elementary and middle-school students in a series of water and WASH education activities at the NY Aquarium.</p> <p>https://www.monitorwater.org/post/2023-world-water-day-event porsche@earthecho.org</p>	
11.00 - 16.00	Location
<p><i>Institute of International Peace Leaders, GAPS USA, Riverside Development Organization Sukkur, Social Justice of Marine, USA,</i></p> <p>Climate Resilient and Clean Water Solutions Pakistan</p> <p>I IPL side event shall find clean water solutions for flood affected areas of Pakistan and climate resilient in Pakistan.</p> <p>https://internationalpeaceleaders.com/iiplsideevent info@internationalpeaceleaders.com</p>	
11.00 - 12.00	Location

Wednesday 22 March

<p><i>Ceres, Reuters Breakingviews</i></p> <p>The Business Case for Better Water Management</p> <p>Building on the notion of water risk, this high-level panel event will explore the business “value” in acting to better manage water resources.</p> <p>https://ceresorg.formstack.com/forms/you_re_invited_ceres_un_water_2023_side_event valuingwater@ceres.org</p>	<p>New York Marriott Marquis (1535 Broadway, New York, NY 10036)</p>
<p>11.00 - 12.15</p>	<p>Location</p>
<p><i>WWF-US, IWMI, Stanford University, World Bank, Daugherty Water for Food Global Institute, University of Nebraska, University of Massachusetts, Amherst</i></p> <p>Filling the Water Storage Gap: Advancing a resilient and sustainable agenda to ensure a water and food secure future in the face of climate change</p> <p>This session will focus on scaling an integrated agenda for water storage and management, including nature-based solutions, to achieve shared goals of water and food security for people and planet.</p> <p>www.Nature.org/naturehub jesse.gallun@wwfus.org</p>	<p>The Nature Hub - Apella - 450 E 29th Street, New York, NY 10016</p>
<p>11:00 - 12:15</p>	<p>Location</p>
<p><i>German NGO Forum on Environment and Development (Forum Umwelt und Entwicklung), Women Engage for a Common Future (WECF), Alliance for Global Water Adaptation (AGWA), German Institute of Development and Sustainability (IDOS), Plant for the Planet, WWF, IUCN</i></p> <p>Turning the tide on the freshwater biodiversity crisis</p> <p>This side event aims to discuss effective measures to accelerate the achievement of SDG6.6, to highlight innovative approaches to upscale restoration efforts and to safeguard water-related ecosystems.</p> <p>www.nature.org/naturehub matthias.goerres@bund.net</p>	<p>The Nature Hub; Apella - 450 E 29th Street, New York, NY 10016</p>
<p>11:30 – 12:30</p>	<p>Location</p>

<p><i>WaterAid Colombia, InterAmerican Development Bank, Ministry of Housing, City and Territory of Colombia, WaterAid Canada</i></p> <p>Honoring ancestral knowledge to ensure sustainable and adaptive water management for climate change</p> <p>This interactive session recognizes the knowledge of Indigenous Tribes developed through observation and praxis, as a key to ensure water access within exclusion and extreme climate conditions</p> <p>https://sites.google.com/view/wateraidatunwc nleon@wateraidamerica.org</p>	TBD
12.00	Location
<p><i>Ministry of Water and Environment Uganda in collaboration with Makerere University- Private sector forum/ Makerere African institute of sustainability</i></p> <p>Contributing Transformational Ideas for Sustainable Water Management: Achieving SDGs and Water Action Decade 2030 for Vulnerable Populations</p> <p>https://www.mwe.go.ug/ https://www.mak.ac.ug/ bwenenej2016@gmail.com</p>	The Uganda Mission to the United Nations is located at 336 East 45th Street, 9th Floor, New York, NY 10017, United States.
12.00 - 13.30	Location
<p><i>The World Bank</i></p> <p>Scaling Urban WSS Services through Data Culture: from Data to Action (the New IBNET)</p> <p>This session will highlight the importance of data in improving decision making in utilities and launch the redesigned International Benchmarking Network for urban Water and Sanitation Providers.</p> <p>https://www.worldbank.org/en/events/2023/03/22/un-2023-water-conference#3 cviola@worldbank.org</p>	Riverview Conference Room, Millennium Hilton, One UN Plaza, NY, NY 10017
12.30 - 13.45	Location

<p><i>WWF, The Nature Conservancy, Natel Energy, Low Impact Hydropower Institute, AECOM, International Federation of Consulting Engineers (FIDIC)</i></p> <p>A Brighter Future: Tackling the climate crisis and protecting freshwater biodiversity with the right renewables in the right places</p> <p>This event will showcase innovative solutions across decision-support, policy, infrastructure design, and finance that fulfill energy needs and climate goals while preserving healthy ecosystems.</p> <p>https://wwf.panda.org/discover/our-focus/freshwater-practice/freshwater-news/?7780966/Focusing-on-A-Brighter-Future-at-the-UN-Water-Conference michele.thieme@wwfus.org</p>	<p>Nature Hub – Apella, 450 East 29th Street, 2nd Floor, New York, NY, 10016</p>
<p>12.30 - 13.45</p>	<p>Location</p>
<p><i>University of Manitoba, United Nations Academic Impact Hub for SDG 6 at University of Manitoba, Carcross/Tagish First Nation, Decolonizing Water, Future Earth, Himalyan Peace Foundation</i></p> <p>Decolonizing water governance through Indigenous knowledge, self-determination, and relationships with water</p> <p>This side event will focus on the role of Indigenous Peoples in achieving Sustainable Development Goal 6, “Clean water and sanitation for all.”</p> <p>https://umanitoba.ca/research/united-nations-sustainable-development-goal-6</p> <p>Nicole.J.Wilson@umanitoba.ca</p>	<p>Nature Hub at APELLA (450 E 29th St, New York, NY 10016, United States)</p>
<p>10.00</p>	<p>Location</p>
<p><i>The Nature Conservancy, The Nature Conservancy, Deutsche Gesellschaft für Internationale Zusammenarbeit, UN Global Compact CEO Water Mandate, World Wildlife Fund, Anheuser-Busch InBev, Amazon Web Services, Cummins Inc., Danone, Diageo, Ecolab, FEMSA, PepsiCo, Starbucks, The Coca-Cola Company, and Veolia</i></p> <p>Corporate Perspectives on Nature-based Solutions for Water Security and the Sustainable Development Goals</p> <p>Explore perspectives from companies on the opportunities and challenges related to investing in nature-based solutions for water security and achievement of the Sustainable Development Goals.</p> <p>www.nature.org/naturehub Michael.matosich@tnc.org</p>	<p>The Nature Hub; Apella, 450 E 29th St, New York, NY 10016</p>

12.30 - 14.30	Location
<p><i>Water Europe Bioazul, Ragn-Sell, Suez, Xylem</i></p> <p>Climate Resilience needs Water-Smart Societies</p> <p>This event aims to stress the urge for key stakeholders to deploy circular and water-smart solutions to ensure climate resilience and achieve Water-Smart Societies.</p> <p>https://watereurope.eu/events/un-2023-water-conference-events/ loic.charpentier@watereurope.eu</p>	<p>EU delegation, 666 Third Avenue, New York, 31st floor</p>
12.45 - 14.00	Location
<p><i>Nuclear Age Peace Foundation, Reverse The Trend: Save Our People, Save Our Planet, Peace Boat US, Marshallese Educational Initiative, EarthEcho International, and Blue Planet Alliance</i></p> <p>Addressing Global Water Challenges for Sustainable Development through Climate Action and Nuclear Disarmament in the Pacific</p> <p>This event aims to raise awareness about the SDGs and address the need to support the Water Action Agenda through political leadership, youth empowerment and cooperation from all stakeholders.</p> <p>https://bit.ly/UN-Water-Conf-Youth-March-22 cciobanu@napf.org</p>	<p>777 United Nations Plaza, 2nd Floor</p>
13:00 – 15:00	Location
<p><i>Spain - Ministry for Ecological Transition and Demographic Challenge, Government of Spain, World Bank, International Desalination Association (IDA), Water Governance Initiative, OECD, World Water Council</i></p> <p>Incorporating Unconventional Water Resources into Integrated Water Resource Management</p> <p>A high-level dialogue to step up the role of non-conventional resources as key assets for achieving water security and to impulse research, capacity building, and implementation initiatives.</p> <p>https://tragsatec.sharefile.com/d-s9ad660e1b898476ebb4d10e6849f78be CMarcuello@miteco.es</p>	<p>Instituto Cervantes - 211 East 49th Street, NY 10017</p>
13.15 - 14.45	Location
<p><i>VITO NV, Water Europe, G-STIC, Antea Group, Protos Andes – Join For Water, ENABEL, W&B, Young Water Solutions, AVEDEC Burundi, University of Thessaly, Government of Flanders (Belgium), ANR, Unesco, CNR, Bosaq</i></p> <p>Collaborative Innovation: the key towards a Water Smart Society</p>	<p>Permanent Mission of Belgium, 885 Second Avenue</p>

<p>Commitments of political courage, a partnership and young entrepreneurs, with innovations are key towards a Water Smart Society with voices from Belgium, Burundi, Ecuador, France, Italy and Suriname.</p> <p>https://vito.be/en/event/water-smart-society katrien.vanhooydonk@vito.be</p>	<p>41st Floor, New York, NY 10017</p>
